National Initiatives

- Enhancing EOPs
- Mass Care and Evacuation
- Catastrophic logistics planning
- COOP/COG
- National System

Challenges

- What's the next big thing?
- Increasing reliance on technology
- Public expectations/public preparedness
- All hazards preparedness
- National emergency management system
- Recognition that emergency management is a critical government service

Bottom line

- What you do directly impacts what we do...so,
- We need to work together now so we can respond effectively tomorrow
