

NASCIO 2009 MIDYEAR CONFERENCE

NASCIO

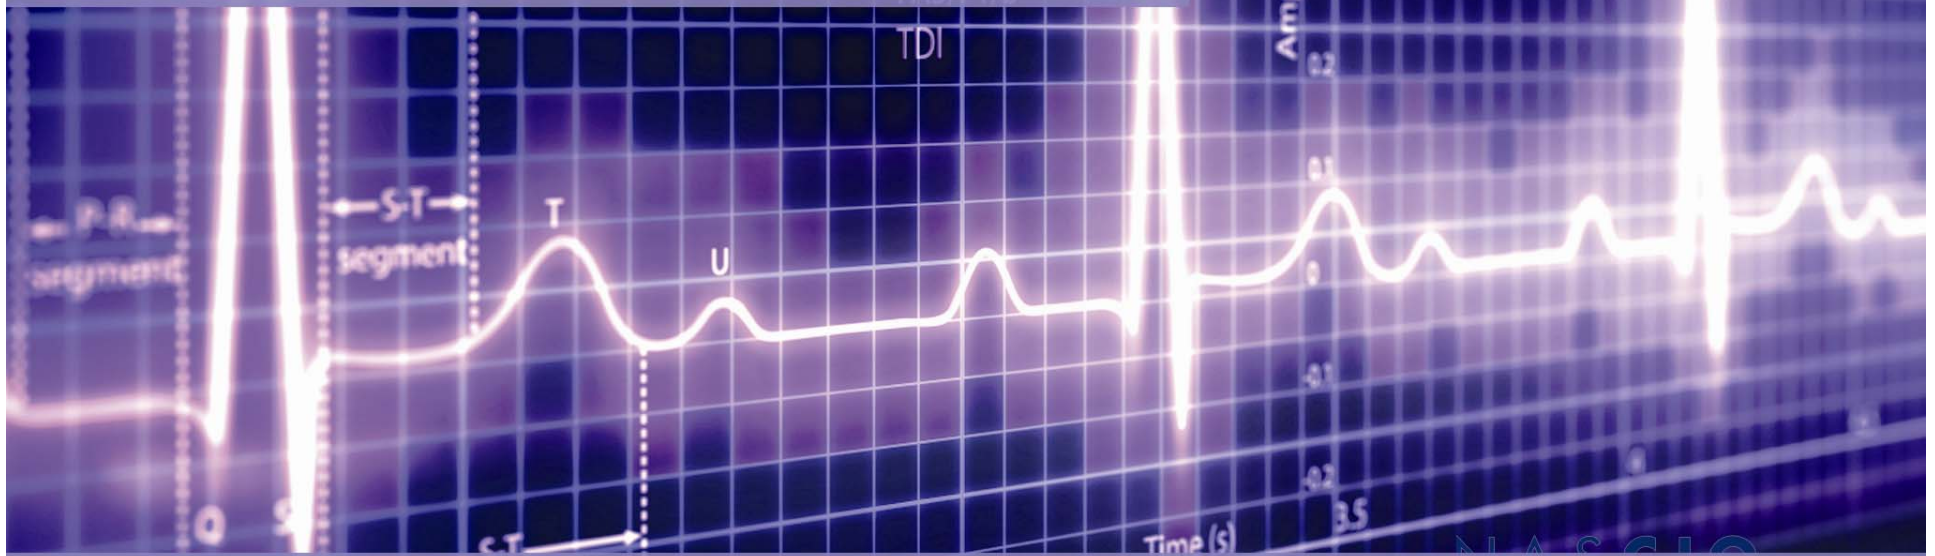

Representing Chief Information
Officers of the States

PROFILES of PROGRESS 3

STATE HEALTH IT INITIATIVES

Available online at www.nascio.org

Profiles of Progress 3 ...

- Determined that over half of the nation's CIOs are involved in their state's health IT efforts
- State CIO involvement in health IT has risen since its first installment in 2006
- Showed that State CIO involvement ranges widely

Levels of State CIO Involvement

- ***State CIO Involvement ranges from:***
 - **Serving as an Advisory Resource**
 - **Designating an involved staff member to be a representative of the State CIO Office**
 - **Sitting on Task Forces or Steering Committees**
 - **Serving as Executive Committee member**
 - **Chairing Health Information Exchange Initiatives or Acting as Chief Convener**
