

STATE IT RECOGNITION AWARDS

NASCIO

THE AWARD PROCESS

They submit this cool stuff to NASCIO via the State IT Recognition Awards

NASCIO members rock and volunteer to serve as judges

They have the tough job of narrowing the cool stuff in each category to 3 finalists and 1 recipient

The NASCIO Executive Committee says "wow, this is cool stuff" and formally approves the finalists and recipients

States, and their awesome work, are honored at the Awards Dinner during the NASCIO Annual Conference
