**Classification and Title:** PEMG – Deputy CIO  
**Job Number:** REQ-47923  
**Salary:** $110,508 - $171,096 per year  
**Closing Date:** N/A – Open until filled

The Oregon Health Authority has a fantastic opportunity for an experienced Leader with strong technical expertise to lead excellent teams, execute key IT strategies and work to advance agency operations.

This position falls under the Classification Principal/Executive Manager G.

**WHAT YOU WILL DO!**
As the Deputy Chief Information Officer (DCIO), you will assist the Chief Information Officer (CIO) in planning and directing the administration, operation and statewide service delivery of information technology to the 14,000 employees of the Oregon Health Authority (OHA) and the Department of Human Services (DHS) in support of the clients they serve.

In support of the two agency missions, you will provide leadership in statewide planning and in the development and operation of all information technology systems and functions within the agencies. You will be responsible for determining and developing department technology policies, service delivery priorities and implementation and utilization of resources to carry out and meet the goals and objectives mandated by State and Federal laws, rules and mandates as they relate to information systems. You will be charged with overseeing the analysis and development of solutions and technical innovations to implement the Health and Human Services vision and requirements by applying state-of-the-art technology solutions to meet the business needs of OHA and DHS.

In this role, you will act with full authority of the CIO. In the CIO’s absence you will serve as head of the Office of Information Services (OIS) by managing and carrying out functions of the office.
You will help the CIO initiate, develop and implement OIS programs, policies and procedures and implement service levels within existing resources that meet or exceed business partner priorities.

**WHAT WE ARE LOOKING FOR:**

- Six (6) years of management experience in a public or private organization which included responsibility for each of the following: a) development of program rules and policies, b) development of long- and short-range goals and plans, c) program evaluation, and d) budget preparation.
- Leadership experience in an IT environment.
- Experience managing multiple levels of direct reports.
- Strong customer service orientation and a high degree of responsiveness to customer requirements.
- Innovative thinking, flexibility and an ability to manage change and varied resources.
- Up-to-date technical expertise and knowledge needed to direct technical experts.
- Ability to translate technical issues and ideals into non-technical language understandable by all levels of management and customers throughout state government.
- Experience in advancing health equity, addressing systemic health disparities and collaborating with diverse, vulnerable and underrepresented populations.

**WHAT’S IN IT FOR YOU?**

*We offer a workplace that balances productivity with enjoyment; promotes an atmosphere of mutual respect, dedication, and enthusiasm. You will collaborate in an open office with a team of bright individuals to work with and learn from. We offer full medical, vision and dental with paid sick leave, vacation, personal leave and ten paid holidays per year plus pension and retirement plans. If you're driven by the passion to do something meaningful that changes lives, the Oregon Health Authority is the place for you.*

This is a full-time, permanent position that is classified as management service, supervisory and is not represented by a union.

The Oregon Health Authority is committed to developing and promoting culturally and linguistically appropriate programs and a diverse and inclusive workforce representing the diversity, culture, strengths and values of the people of Oregon.
