VISION

Government in which the public is fully served through business innovation and the optimal use of technology

Advancing government excellence through trusted collaboration, partnerships and technology leadership

MISSION

GUIDING PRINCIPLES: The National Association of State Chief Information Officers will:

- be non-partisan
- promote the state CIO as the technology leader who drives business innovation and transformation
- focus on multi-jurisdictional issues
- foster policies that support the public trust
- promote strategic alignment of government technology investments and state business agendas
- be ethical in our actions and relationships

GOALS & OBJECTIVES

NASCIO excels as the premier community and trusted resource for state CIOs
