Tuesday, July 30

8 – 8:30 am	Networking Breakfast
8:30 am – Noon	Leadership Presence & Communication* <i>Nancy Colter, Colter Consulting</i> <i>Beyond the fundamentals of talking and listening lies a deeper understanding of communication dynamics. Through personalized DiSC assessments, participants gain invaluable insights into their communication styles, enabling them to navigate diverse workplace interactions with finesse and cultivate enduring professional relationships. Building upon this foundation, participants delve into the art of executive presence—encompassing not only communication and speech but also demeanor and interpersonal interactions. By the end of this session, participants will possess the tools and strategies needed to communicate with impact and command respect in any professional setting.</i> <i>*Includes DiSC analysis completed the week prior to meeting</i>

10:30 – 10:45

Networking Break

Noon – 1 pm

Networking Lunch

Preparing for Future Shocks in State Government

State leaders face a range of issues that could test the resilience of their states, their teams and themselves. Hear from a panel of NASCIO CIOs on how they lead through these challenges and build resilient teams.

Amy Glasscock, NASCIO, Moderator

Mandy Crawford, CIO, TX

Katrina Flory, CIO, OH

2 – 3 pm

Becoming an Adaptive Leader

What does it mean to be an adaptive leader? Learning new things, discovering new strategies and employing new techniques that will yield desired results, growth and development. You'll hear from a panel of NASCIO CIOs who will illustrate the ways they have continued to adapt and lead their state's technology teams to outstanding results.

Doug Robinson, NASCIO, Moderator

Tracy Barnes, CIO, IN

Stephanie Dedmon, CIO, TN

Denis Goulet, CIO, NH

3 – 3:30 pm

Grand Foyer

Wednesday, July 31

8 – 9 am

Joint Networking Breakfast

Grand Salon AB

9 am – 11:30 am

Talk Like a Leader: Making Your Messages Memorable

Anthony Huey, Communicate Clearly

Grand Salon AB

It's not just what you say, it's how you say it. Whether you realize it or not, your communication skills are constantly being judged by others, often subconsciously. How you communicate in everything from casual conversations to formal presentations can be the difference between success and failure. Don't miss what is often your only opportunity to connect and leave a lasting impression. This interactive, hands-on session teaches effective ways to communicate your message to a wide variety of audiences in a diverse array of situations.

11:30 am – 1 pm

Networking Lunch

Grand Salon AB

1 – 4:30 pm

Critical Thinking: Business Analysis and Decision-Making*

Barbara Farmerie, MBA, PMP, University of Wisconsin-Milwaukee

Sharpen your skills by becoming more aware of your own thought processes and the thought processes of others. Learn techniques to foster critical thinking through probing and reflecting that leads to better decision-making. The result ... becoming more effective in analysis, communication and leadership.

Emerging Leader Program Webcast Schedule:

November 13, 2024, 2 pm ET **Writing for Busy Readers**

In this virtual workshop, Professor Todd Rogers of Harvard University teaching business writing principles to help you communicate more effectively. In today's world, everyone is busy, and writing effective messages requires practical communication skills. Workshop participants will learn the principles of practical business writing that will make our communication more effective and our organizations more productive. They also make our communications more equitable and kinder by being more respectful of busy readers' time and attention.

Week of February 10, 2025 Budget (Shelby Kerns, NASBO Executive Director) and Procurement (David Gragan, CPPO, NASPO)

Week of May 12, 2025 Fierce Conversations/People Side of IT (Speakers TBD)
